IV. PARTICIPATING JURISDICTIONS

Criteria

- 5.(1) The board of directors may cause the Corporation to enter into a memorandum of agreement with a Jurisdiction which provides for participation by that Jurisdiction in the compensation arrangements made available by the Corporation (a “Participation Agreement”) where it is satisfied that:
- (a) the Jurisdiction has imposed on all of the General Insurers licensed by it the Prudential Criteria;
 - (b) either
 - (i) the Jurisdiction has enacted legislation making all General Insurers licensed by it members of the Corporation and making all assessments levied by the Corporation against those members a statutory debt directly enforceable by the Corporation; or
 - (ii) the Jurisdiction has imposed on the licenses of all General Insurers, a condition requiring that the General Insurer be a party to a contract of membership in substantially the form of the contract of membership contained in Schedule I hereto and maintain membership in the Corporation in good standing;
 - (c) the Jurisdiction has required its Government Owned Insurers (other than its Government Owned Automobile Insurers) to enter into a contract of membership similar to the contract contemplated by sub-paragraph 5(1)(b)(ii) above;
 - (d) the Jurisdiction has agreed that its Insurance Regulatory Authority will exercise his or her powers and duties to assist the Corporation in requiring insurers to fulfil their obligations as members of the Corporation; and
 - (e) the Jurisdiction has agreed that prior to amending, the Prudential Criteria imposed by it, it will consult with the board of directors or representatives or appointees thereof.
- (2) The form of each Participation Agreement shall be appropriate to, and shall reflect, the manner by which each Jurisdiction intends to meet the criteria in sub-paragraph 5(1) and the circumstances of the particular case. An example of a Participation Agreement to be entered into with a Jurisdiction which proposes to enact legislation in the manner specified in sub-paragraph 5(1)(b)(i) is attached as Schedule II. An example of a Participation Agreement to be entered into with a Jurisdiction on the basis specified in sub-paragraph 5(1)(b)(ii) is attached as Schedule III.
- (3) Any Jurisdiction which has entered into a Participation Agreement shall be deemed to be a “Participating Jurisdiction” on the day the Participation Agreement, as provided for therein, takes effect.
- (4) Without limiting the generality of paragraph 5 and as is reflected in Schedule III, where a Participation Agreement is to be entered into on the basis contemplated by sub-paragraph 5(1)(b)(ii), the Participation Agreement shall provide, amongst other things, that it does not take effect until each General Insurer licensed by and each Government Owned Insurer (other than each Government Owned Automobile Insurer) carrying on business in the Jurisdiction has actually entered into and delivered the contract of membership contemplated by sub-paragraphs 5(1)(b)(ii) or 5(1)(c), as the case may be.

Termination of Participation Agreements

- 6.(1) By the Corporation – Each Participation Agreement shall provide that it may be terminated by the Corporation, by prior written notice to that effect delivered to the Insurance Regulatory Authority of the Participating Jurisdiction which is a party thereto, where that Participating Jurisdiction no longer meets the criteria set forth in sub-paragraphs 5(1)(b) and (c). Upon receipt or deemed receipt of the notice (as specified below) by the Insurance Regulatory Authority, that Participating Jurisdiction shall cease to be a Participating Jurisdiction on the ninetieth day following receipt of the notice (the “Termination Date”). Any such notice shall be personally served on the Insurance Regulatory Authority (which notice shall be deemed to have been received by the Insurance Regulatory Authority on the date on which personal service is made).
- (2) By a Participating Jurisdiction – Any Participating Jurisdiction may terminate its Participation Agreement by thirty days’ prior written notice to that effect delivered to the Corporation. Upon receipt or deemed receipt by the Corporation of the notice contemplated by this sub-paragraph 6(2), the Participating Jurisdiction giving such notice shall, subject to sub-paragraphs 6(3) and 6(4), cease to be a Participating Jurisdiction on the ninetieth day following receipt of the notice (the “Jurisdiction Withdrawal Date”). The rules as to delivery and receipt of the notice shall be the same as those specified in sub-paragraph 6(1).
- (3) The termination of a Participation Agreement under sub-paragraphs 6(1) or 6(2) shall in no way affect the obligations to the Corporation of the Jurisdiction which is a party to the agreement to assist the Corporation in the recovery of assessments levied on Members licensed by that Jurisdiction and to honour any guarantees previously given by it to the Corporation.
- (4) The termination of a Participation Agreement under sub-paragraphs 6(1) or 6(2) shall not affect the membership status of the Members licensed by it except in the manner contemplated by subparagraph 24(2)(b) and paragraph 25.

Timing

7. For the purposes of determining when an act or occurrence has taken place in relation to the making of a Winding Up Order, and when a Winding Up Order is made, a Winding Up Order against which all rights of appeal have been exhausted shall be deemed to have been made when initially granted by a court of competent jurisdiction under the WUA. For the purpose of determining when a General Insurer is a Controlled Insurer, an Insurance Regulatory Authority shall be deemed to have taken control of the assets of such insurer on the day he takes possession of such assets.

V. COMMITTEES

Establishment

8. The board of directors may from time to time by resolution appoint committees from the directors and officers of the Corporation for the purpose of carrying out the objects of the Corporation and delegate to them such powers as the board of directors deems appropriate from time to time. Such committees shall exercise such powers as shall be delegated to them by the board of directors from time to time. The board of directors may from time to time by resolution abolish such committees and, if the board of directors deems advisable, appoint alternative committees in their place. Meetings of such committees shall be held at such places and on such dates as each committee may determine. Any vacancies in such committees shall be filled by resolution of the board of directors. The Insurance Regulatory Authorities shall not be entitled to participate in, or receive notice of, the meetings of such committees. Such committees may include, without limitation:

- (a) an executive committee comprised of the Chairman, the Deputy Chairman, the President and such additional directors as are determined by resolution of the board of directors;
- (b) an audit committee; and

Where an advisory committee is established pursuant to paragraph 9, each Insurance Regulatory Authority of a Participating Jurisdiction affected by the Insolvency, or his representative designated for that purpose, shall be entitled to convene and participate in any meeting thereof in accordance with the provisions of Article VI as though any reference in Article VI to "Insurance Regulatory Authority" includes an Insurance Regulatory Authority's representative designated under this paragraph, as though any reference in Article VI to a "meeting" referred to a meeting of an advisory committee and as though any reference in Article VI to "board of directors" referred to an advisory committee.

Remuneration of Committee Members

11. Committee members shall serve as such without remuneration and no committee member shall directly or indirectly receive any profit from his position as such; provided that when authorized by resolution of the board of directors, a committee member may be paid reasonable expenses incurred by him in the performance of his duties. Nothing herein contained shall be construed to preclude any committee member from serving the Corporation as an officer or in any other capacity and receiving compensation therefore.

VI. CONSULTATION WITH INSURANCE REGULATORY AUTHORITIES

(1) Each Insurance Regulatory Authority shall be entitled to receive, by mail, courier, fax or e-mail, reasonable notice of, to attend and to participate in, any meeting of the board of directors, but no Insurance Regulatory Authority shall be entitled to cast any votes at that meeting. No action on any matter discussed at any meeting of the board of directors shall be taken unless the board of directors has satisfied itself that each Insurance Regulatory Authority has been sent reasonable notice of the meeting. Each such notice shall be accompanied by an agenda of the matters to be discussed at the meeting.
- (2) Notwithstanding section 12(1), the board of directors shall be entitled to meet in the absence of, and without notifying, the Insurance Regulatory Authorities for the purpose of considering and discussing any matter. The board of directors shall not be entitled to act on any matter, however, other than in accordance with section 12(1).

Insurance Regulatory Authority May Convene Meeting

13. Any Insurance Regulatory Authority may convene a meeting of the board of directors by giving at least fourteen (14) days' previous written notice thereof to the Chairman of the board of directors.

Scope of Discussions at Meeting

14. At any meeting, the board of directors shall be free to discuss any matter relating to the Corporation's Members which is relevant to the objects of the Corporation.

Federal Regulatory Authority

15. For the purpose of this Article VI, the term "Insurance Regulatory Authority" shall be deemed to include the Superintendent of Financial Institutions of Canada.

VII. CONDITIONS OF MEMBERSHIP

Other Insurers May be Excluded

16. Where an Insurance Regulatory Authority of a Participating Jurisdiction is satisfied that one or more insurers licensed by it is party to or a participant in a compensation plan or scheme other than that provided by the Corporation, he may exclude them from the requirement that it or they be a Member of the Corporation; notwithstanding anything else contained herein, any insurer so excluded shall be deemed not to be a Member of the Corporation and, for greater certainty, the Corporation shall have no responsibilities with respect thereto if that insurer becomes Insolvent.

Members

17. (1) Subject to paragraph 17(2) and paragraph 24, the Corporation's "Members" shall be all General Insurers licensed by, and all Government Owned Insurers (other than Government Owned Automobile Insurers) carrying on business in a Participating Jurisdiction, and which are Members by virtue of the Legislation referred to in sub-paragraph 5(1)(b)(i) or the contract of membership referred to in sub-paragraphs 5(1)(b)(ii) or 5(1)(c), as the case may be, and, for greater certainty, includes a Controlled Insurer.
- (2) Notwithstanding sub-paragraph 17(1), the Corporation's Members may include the Insurance Corporation of British Columbia.

Effective Date of Membership

18. Membership in the Corporation shall be deemed to be effected on the later of:
- (i) the day the Participation Agreement signed by a Jurisdiction which licenses the particular General Insurer or in which the particular Government Owned Insurer carries on business takes effect; and
 - (ii) the day the particular General Insurer or Government Owned Insurer is a Member by virtue of the legislation referred to in sub-paragraph 5(1)(b)(i) or the contract of membership referred to in sub-paragraphs 5(1)(b)(ii) and 5(1)(c), as the case may be.

Only One Contract of Membership Necessary

19. A Member which is licensed in more than one Participating Jurisdiction shall not be required to enter into the contract of membership contemplated by sub-paragraph 5(1)(b)(ii) more than once; provided that where a General Insurer is a Member by virtue of the legislation of a particular Participating Jurisdiction contemplated by sub-paragraph 5(1)(b)(i), and where that General Insurer is also licensed by any other

Participating Jurisdiction which has entered into a Participation Agreement on the basis contemplated by sub-paragraph 5(1)(b)(ii), the General Insurer shall be required to enter into the contract of membership contemplated by sub-paragraph 5(1)(b)(ii) at least once.

Designated Representatives

20. Each Member shall choose one individual from amongst its officers or employees (a “Designated Representative”) to receive notices of, to attend and to vote at any meeting of Members on its behalf. A Member may change its Designated Representative at any time by giving notice of the change to the Corporation and providing the Corporation with whatever documentation the Corporation may reasonably require

Number of Votes

21. The number of votes each Member is entitled to cast through its Designated Representative at any meeting of Members shall be calculated in accordance with the following formula:

$$A = \frac{B}{C} \times 1,000,000$$

Where

- A is the number of votes the Designated Representative is entitled to cast at the particular meeting of Members;
- B is the total direct written premiums of the particular Member in respect of all Participating Jurisdictions; and
- C is the total direct written premiums of all Members in respect of all Participating Jurisdictions, provided that, notwithstanding the foregoing, a Member which is a Controlled Insurer or an Insolvent Insurer shall not be entitled to any votes.

Meaning of Total Direct Written Premiums

22. For the purpose of paragraph 21, the phrase “total direct written premiums” in respect of all Participating Jurisdictions means the total premiums written (excluding reinsurance premiums assumed and without deduction of amounts paid by way of reinsurance premiums ceded) in respect of all Covered Policies made, or under applicable insurance legislation deemed to be made, in all Participating Jurisdictions which have been reported in respect of a particular Member’s fiscal year preceding the date of the meeting of Members.

Notice of Votes to be Sent

23. The Corporation shall calculate the number of votes capable of being cast by each Designated Representative in accordance with paragraph 21 and advise each Designated Representative accordingly, prior to date of meeting.

Withdrawal and Termination of Membership

24. (1) During the period a Member is licensed, in any Participating Jurisdiction, to carry on the business of insurance of a kind which would be provided for in a Covered Policy, the Member shall not be entitled to withdraw its membership from the Corporation and the Corporation shall not be entitled to terminate that Member’s membership in the Corporation.

(2) A Member’s membership in the Corporation shall be deemed to be terminated

- (a) on the 183rd day following the cancellation or other termination of the Member's licence by a Participating Jurisdiction if such cancellation or other termination results in that Member not being licensed in any Participating Jurisdiction; or
- (b) on the day that Member is, by reason of the Participating Jurisdictions in which the Member is licensed having ceased to be Participating Jurisdictions and not by reason that the Member's licence has been cancelled or otherwise terminated, no longer licensed by any Participating Jurisdiction.

Past Obligations to Continue Notwithstanding Termination of Membership

25. The termination of a Member's membership in the Corporation shall in no way derogate from or affect that Member's obligations to the Corporation which have arisen prior to the date the membership was terminated and which, as at such date, have not been fulfilled or satisfied; accordingly, such obligations shall continue in full force and effect after the Member's membership has been terminated until fulfilled or satisfied.

VIII. BOARD OF DIRECTORS

Duties of Directors

26. The board of directors shall be responsible for the governance of the Corporation and supervise the management of the activities and affairs of the Corporation.

- (b) Subject to paragraph (a) above, the number of directors can be set by a Special Resolution of the board of directors.

Directors' Remuneration

28. Directors of the Corporation, as such, other than directors who are not full-time employees or officers or directors of a Member or of any Association of Members, shall not receive any remuneration for their services, but they may be reimbursed for their reasonable expenses of attendance at each regular or special meeting of the board of directors. Directors who are not full-time employees, officers or directors of a Member or any Association of Members shall receive such remuneration as may be determined, from time to time, by resolution of the board of directors. Nothing herein shall be construed to preclude any director from serving the Corporation as an officer or in any similar other capacity and receiving compensation therefore.

Nomination of Directors

29. The board of directors shall nominate individuals for election or re-election as directors at the next annual general meeting of Members and shall ensure that its nominees adequately represent all Participating Jurisdictions. In addition, any Designated Representative of a Member may nominate one or more individuals for election as a director at any annual general meeting of Members, but in order for the nomination to be valid, it must be in writing and received by the Secretary-Treasurer at least five (5) days before that annual general meeting.

Eligibility

30. In addition to requirements under the Act, for an employee of a Member to be eligible to be elected or appointed as a director, that individual must be a senior official of such Member.

- (a) act honestly and in good faith with a view to the best interest in the Corporation; and

Vacancies

32. If any vacancy on the board of directors occurs for whatever reason, the remaining directors may fill the vacancy with any individual meeting the criteria outlined in paragraph 30.

Resignation from Board

33. A director may resign by delivering a written resignation to any other director but the resigning director shall remain in office until the dissolution or agreement of the meeting at which his successor is chosen by the board of directors.

Removal from Board

34. A director may be removed from office if, at a special general meeting of Members, a resolution is passed by at least three quarters of the votes available to be cast at the meeting.

Meetings of Directors

35. Meetings of the board of directors may be held at any time and place to be determined by the Chairman of the board of directors provided that ten (10) days' prior notice of such meeting shall be given to each director. Notice may be given by oral means or by telephone, telegram, telegraph or other similar means. A director may waive notice of a meeting at any time and in any manner and attendance of a director at a meeting constitutes a waiver by that director of notice of that meeting.

Quorum, Voting by Directors and Casting Vote

- 36.
- 1) Any meeting of the board of directors, the presence or participation by a majority of directors shall constitute a quorum.

- 2) All decisions of the board of directors, in order to be effective, shall be passed by the affirmative votes of a majority of the directors present at the meeting.
- 3) The Chairman of the board of directors shall have a casting vote at any meeting of directors.

Telephone, etc. Meeting

37. A meeting of the board of directors or of a committee, as the case may be, may be held in person or by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to hear each other simultaneously and instantaneously, or any combination thereof, and a director or other person participating in such a meeting by such means is deemed for the purposes of this By-Law No. 1 to be present at that meeting.

The remuneration of all officers shall be fixed by the board of directors.

XI. MEMORANDUM OF OPERATION

Enacted by Board of Directors

44. The board of directors shall enact by resolution a Memorandum of Operation which sets forth the detailed rules and procedures which are to be followed by the Corporation in making voluntary payments to certain Policyholders and other claimants in respect of claims under certain insurance policies which are unpaid by reason of a Member becoming an Insolvent Insurer.

Contents

45. Without limiting the generality of paragraph 44, the board of directors shall be entitled to include in the Memorandum of Operation or any amendment thereto, provisions
- (i) defining the types of insurance policies to which the Corporation is to be responsive;
 - (ii) defining the types of claims to which the Corporation is to be responsive and their method of calculation;
 - (iii) establishing procedures with the Liquidator or proposed Liquidator whereby his assessment of the validity and amounts of claims of policyholders and other claimants can be relied on by the Corporation;
 - (iv) establishing procedures for the verification by the Corporation of the validity and amounts of claims;

 - (viii) any other matter not inconsistent with this By-Law No. 1.

Amendment

46. The Memorandum of Operation enacted by the provisional board of directors may be amended from time to time by resolution of the board of directors with the concurrence of the Insurance Regulatory

Authorities of each Participating Jurisdiction. An Insurance Regulatory Authority which has not concurred with or rejected a proposed amendment or repeal within three months of being sent such proposed amendment or repeal shall be deemed to have concurred with such proposed amendment or repeal for the purposes of this paragraph.

XII. BY-LAW AND EFFECTIVE DATE

47. (1) Subject to the Articles, the board of directors may, by Resolution, make, amend or repeal any By-Law that regulates the activities and affairs of the Corporation. Any such By-Law amendment or repeal shall be effective from the date of the Resolution of the board of directors until the next meeting of the Members where it may be confirmed, rejected or amended by the Members by Resolution. If the By-Law, amendment or repeal is confirmed or confirmed as amended by the Members, it remains effective in the form in which it was confirmed. The By-Law amendment or repeal ceases to have affect if it is not submitted to the Members at the next meeting of Members or if it is rejected by the Members at the meeting.

This section does not apply to a By-Law that requires a Special Resolution of the Members according to subsection 197(1) of the Act because amendments or repeals of such sections of the By-Law only are effective when confirmed by the Members

- (2) Notwithstanding sub-paragraph 47(1), this By-Law No. 1 may not be amended or repealed without the concurrence of the Insurance Regulatory Authorities of each Participating Jurisdiction. An Insurance Regulatory Authority which has not concurred with or rejected a proposed amendment or repeal within three months of being sent such proposed amendment or repeal shall be deemed to have concurred with such proposed amendment or repeal for the purposes of this subparagraph 47(2).

**Re: Contract of Membership between Property and Casualty
Insurer and Compensation Corporation**

As you probably know, the various provinces and territories of Canada are participating jurisdictions under the arrangements made available by the Property and Casualty Insurance Compensation Corporation ("PACICC"). As part of those arrangements, all property and casualty insurers licensed in the particular provinces or territories (other than those subject to other compensation plans) must become members of PACICC. The purposes of this letter are to welcome you as a member, to describe the principal responsibilities involved in membership, and to seek confirmation from you that you accept those responsibilities as being your contractual commitments.

PACICC's By-Law No. 1 and its Memorandum of Operation, both as amended, are enclosed. Those documents set out the details of your rights and obligations as a member including your obligation to choose a designated representative from amongst your senior officers to attend and vote at meetings of PACICC, the method of calculating the number of votes you will be entitled to cast through your designated representative, the circumstances under which your membership may be terminated, and the calculation of and manner of levying and paying assessments. It would be appreciated if you could advise us when returning one copy of this letter, of the name, title and address of your designated representative.

The organizational documents also set out the details of the procedures under which PACICC, for the benefit of the credibility of the property and casualty insurance industry as a whole, provides a reasonable level of compensation to policyholders of an insolvent insurer who have unpaid claims under their property and casualty insurance contracts or who have claims for unearned premium. Under Board resolutions made pursuant to these documents, PACICC contributes up to the maximum limit of \$250,000 for all covered policies (with the exception of a personal property policy, where the maximum limit is \$300,000) plus 70% of unearned premiums to a maximum of \$700 per policy.

The arrangements under which PACICC has accepted these responsibilities were designed in discussions between representatives of the property and casualty insurance industry and the insurance regulatory authorities of the provinces and territories. We believe that the arrangements are well designed to meet the policy objectives of PACICC in a manner that recognizes the concerns of the members of PACICC. For example, the arrangements currently include a provision that no member may be called upon to pay in any year towards assessments levied by PACICC with respect to a particular jurisdiction, more than 1.5 percent of its direct written premiums in that jurisdiction.

By becoming a member, your company accepts the responsibilities of membership as described in By-Law No. 1 and the Memorandum of Operation and agrees to pay assessments as levied, including administrative assessments. By-Law No. 1 contemplates two means by which a jurisdiction can become a participating jurisdiction. The first is by a legislative enactment which automatically deems the property and casualty insurers licensed by that jurisdiction to be members of PACICC and gives PACICC a direct cause of action against members who fail to pay assessments as levied. The provinces of Ontario, Alberta and New Brunswick, for example, have chosen this route. The second is by the imposition, on the licenses of property and casualty insurers, of a condition that they become members of PACICC and pay assessments levied accordingly. If you are licensed in a jurisdiction which has opted for participation by the first means, you will be a member of

PACICC by virtue of the legislative enactment. If you are also or only licensed in a jurisdiction which opts for participation by the second means, the entering into of this letter agreement is required to effect your membership in PACICC and to give PACICC a direct cause of action against members who fail to pay assessments in those jurisdictions. If, at a later date, you become licensed in other jurisdictions which have opted for the second means, no further letter agreements are required.

If a property and casualty insurer that is a member of PACICC and is licensed to do business in a participating jurisdiction becomes insolvent, PACICC will levy assessments on members which are also licensed in that jurisdiction to cover the expenditures made by PACICC to compensate policyholders for claims under policies issued in that jurisdiction and for claims for unearned premium. We expect that the procedure to be followed will be that, early in the insolvency, PACICC will levy an assessment in an amount sufficient to cover the estimated total expenditures of PACICC as to that insolvency. This assessment will be done on a jurisdiction-by-jurisdiction basis and will be allocated among members licensed in each particular jurisdiction on the basis of total direct written premiums for the preceding fiscal year. PACICC will subsequently, from time to time, require payments of portions of the amounts assessed (subject to the annual limit described above) as expenditures are incurred.

The procedure is described more fully in By-Law No. 1 and the Memorandum of Operation.

In summary, then, we request your confirmation of acceptance of membership in PACICC and of your commitment to pay assessments as called upon from time to time in accordance with the rules summarized above.

It would be helpful if we could receive your confirmation as soon as possible, by execution and delivery of the duplicate copy of this letter, that you accept membership in PACICC and will act in conformity with its organizational documents as amended from time to time, including payment of assessments.

PACICC exists to benefit the Canadian property and casualty insurance industry by serving policyholders.

We would be pleased to provide you with any further information that you require concerning the affairs of PACICC and look forward to working with you in the conduct of our activities.
